*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

vital role in energy production.*

Coenzyme Q10 is a vitamin-like compound also called ubiquinone. It is an essential component of cells and is necessary for mitochondrial energy production. Years of research has shown that CoQ10 supports healthy cardiovascular and immune system functions in addition to its

Oil, Borage Oil or EPA Fish Oil.

SUGGESTED USAGE: As a dietary supplement, take 1 Vcap® 1 to 2 times daily, preferably with meals. We highly recommend taking this product with a source of essential fatty acids such as NOW® Flax Oil, Evening Primrose Oil, Borage Oil or EPA Fish Oil.
