SUGGESTED USE:

DO NOT EXCEED RECOMMENDED DAILY INTAKE. USE ONLY AS DIRECTED. **Directed Use on Training Days:** To determine tolerance, begin by taking one serving (1 scoop) mixed with (4-6 oz.) of water 20-30 minutes before training. After personal tolerance has been assessed, take one to two servings (1-2 scoops) 20-30 minutes before training begins. Add (4-6 oz.) of water for each serving. During your workout, it is recommended that you drink plenty of water. Moisture and humidity can cause clumping and discoloration. **STORE IN A COOL DRY PLACE.**

IMPORTANT DISCLOSURE: This product may contain legal dietary ingredients that are prohibited by Sports and/or cause a false positive for banned or prohibited substances ("PS"). Due to the unique restrictions of amateur and professional sports organizations, the Armed Forces, law enforcement and other agencies and employers, as well as the possibility of legal dietary ingredients causing a false positive for PS, do not take this product if you are subject to PS testing without the approval and/or authorization of the organization, entity, agency or governing body that requires the testing.
