

Nutritional Support for Healthy Bones.*

The need for supplemental vitamin D₃ has never been greater. Limited exposure to sunlight, from use of sunblock and sunscreens, as well as from more time spent indoors, takes away the body's natural means of producing vitamin D. **Nature's Plus® Adult's Chewable Vitamin D₃ 1000 IU**, the world's most delicious D₃ chewable, combines such succulent flavors as pineapple, grape and raspberry, for a sensational Maui Berry Burst!

Adult's Chewable Vitamin D₃, providing 1000 IU of bioavailable vitamin D₃ (cholecalciferol), conforms to the strictest standards for purity, including California's Proposition 65.

Free from artificial colors and preservatives. Free from the common allergens yeast, wheat and milk.

DIRECTIONS: As a dietary supplement for adults, one chewable tablet daily.

KEEP TIGHTLY CLOSED IN A COOL, DRY PLACE. KEEP OUT OF REACH OF CHILDREN.
