

PRE WORKOUT

Directions: Mix with 8oz of water and drink 15 minutes before your workout on an empty stomach.

POST WORKOUT

Directions: Mix with 8oz of water and drink after your workout, optimally at least one hour before bed.

BADDASS™ STACK is two-part drink that provides a complete nutrition solution for even the most intense workouts. STACK has been carefully formulated to provide the best nutrients both before and after training in order to maximize energy, muscle growth, and recovery.

Take STACK: PRE-WORKOUT 15 minutes before you begin your workout and ensure that your muscles have everything they need to perform and grow. STACK: PRE will let you take your workouts to the next level.

After you're done, STACK: POST-WORKOUT supplies the essential post-training supplements for fast recovery, increased energy, and maintenance of lean, healthy muscle.*
