

DIETARY SUPPLEMENT

Activated Charcoal is a natural internal detoxifier popularly used to help cleanse the body of unwanted materials that can lead to putrefication and gas or excess flatus. *This statement has not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

CAUTION: Activated Charcoal may adsorb medications (such as heart drugs or birth control) if taken at the same time. Consult a physician if you are taking drugs as this dietary supplement may interfere with their effectiveness. It is suggested to allow at least one hour after or two hours before taking any medication. May cause darkening of the stool. Keep out of reach of children. Do not use if safety seal is damaged or missing. If pregnant, nursing or on medication, consult with your healthcare practitioner. Store in a cool, dry place.
