90 VEGETARIAN CAPSULES

Acidophilus helps support a "friendly flora" environment in the colon while **Bifidus**, the most prevalent naturally occurring colon bacteria, further helps the colon produce B-vitamins. Together these actions support both the intestinal tract and the immune system. **This statement has not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.**

CAUTION: Keep out of reach of children. Do not use if safety seal is damaged or missing. If pregnant, nursing or on medication, consult with your healthcare practitioner. **REFRIGERATE AFTER OPENING.**
