Coenzyme Q-10, also known as "ubiquinone", is widely used for its numerous benefits on the body. This nutrient acts like a "spark plug" to the cells, helping the body produce energy. It is popular for balancing heart function. In addition, CoQ-10 contains powerful antioxidant properties, essential for neutralizing free radicals. ***This statement has not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.**

CAUTION: Keep out of reach of children. Do not use if safety seal is damaged or missing. If pregnant, nursing or on medication, consult with your healthcare practitioner. Store in a cool, dry place.
