Manufactured by NOW FOODS, BLOOMINGDALE, IL 60108

SUGGESTED USAGE: As a dietary supplement, take one tablet daily, preferably with meals. This extra high potency tablet should be taken under doctor's supervision. Niacin often causes itching or flushing but this sustained release tablet minimizes those problems.

Niacin (Vitamin B-3) is an essential B-group vitamin necessary for good health. Look for this and other fine NOW® products in health food stores nationwide.
