*This statement has not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

SUGGESTED USAGE: As a dietary supplement, take 4 tablets daily, in 1 or 2 divided doses, preferably with meals. Bone Calcium is a unique nutritional supplement formulated with calcium-rich, high collagen microcrystalline Hydroxyapatite (MCH). MCH is the actual form of calcium found naturally in bone tissue. It provides both the organic and inorganic constituents found in the skeletal structure.* It also contains Vitamin D and trace minerals to help support calcium utilization. Look for this and other fine NOW® products in healthfood stores nationwide.
