SUGGESTED USAGE: As a dietary supplement, take one soft-gel daily, preferably with meals.
Natural Beta-Carotene contains additional antioxidant carotenoids: Alpha-carotene, Zeaxanthin, Cryptoxanthin and Lutein as naturally occurring in *D. salina* sea algae. The natural balance of related carotenoids is what makes this product more bioavailable than common, synthetic Beta-Carotene. Beta-Carotene is a fat soluble food source of Vitamin A.

Natural Beta-Carotene

25,000 IU

D. Salina with Mixed Carotenoids

90 Softgels

A Dietary Supplement
