

Natrol® Niacin TR 500mg Time Release is 100% vegetarian and has a delivery system that releases Niacin steadily, which allows for zero flush. Flushing is an effect often associated with Niacin in a standard delivery format. Niacin, also known as Vitamin B-3, can promote healthy cholesterol already within the normal range and is essential in energy production at the cellular level.[†]

Consult your healthcare professional prior to use if you have or suspect a medical condition, are taking prescription drugs, or are pregnant or lactating.

**STORE IN A COOL, DRY PLACE.
KEEP OUT OF REACH OF CHILDREN.**
