SUGGESTED USAGE: As a dietary supplement, take one tablet daily, preferably with meals.

Ester-C® is a unique form of buffered Vitamin C with metabolites. Metabolites are compounds derived from nutrients that are normally created in the body. For a fact, has demonstrated that this combination of non-acidic Vitamin C with metabolites is well absorbed and retained in blood cells and tissues.* We have further enhanced this superior product with the synergistic blend of Bioflavonoids, Acerola, Rose Hips and Rutin.

Ester-C® 1000

1000 mg of Vitamin C
Plus 200 mg of
Bioflavonoids
