Bluebonnet's EarthSweet Chewable Vitamin D3 2000 IU Tablets provide natural vitamin D3 (cholecalciferol) from lanolin in a natural raspberry flavor. This product is naturally sweetened with EarthSweet, the industry's first, all-natural antioxidant sweetening mix of juice concentrates (wild blueberry, cranberry, prune, cherry, strawberry, raspberry and bilberry fruits, grape seed and raspberry seed) and evaporated cane juice to help preserve and stabilize the ingredients in the formula. Available in chewable tablets for maximum assimilation and absorption.

Suggested Use

As a dietary supplement, take one chewable tablet daily or as directed by a healthcare practitioner.
