

HTN Complex™

1-800-9072-00

Blood Pressure Support • Cardiovascular/Lipid Support

HTN Complex™ is for patients in need of maintaining normal blood pressure levels. There are many different possible reasons behind why blood pressure elevates. This formula contains nutrients that can act on various mechanisms, including acting as natural: ACE inhibitors, calcium channel blockers, diuretics, beta-blockers, endothelial protectors, renin regulators and antioxidants.

Recommended Use: As a dietary supplement, take two capsules twice a day, or as directed by your health care practitioner.
