Chromium Picolinate

How It Works:

Twinlab® Chromium Picolinate is a biologically active source of chromium and is of high quality and purity.

Twinlab® Chromium Picolinate capsules are easier to swallow than tablets and dissolve faster to assure better absorption. No added flavors, colors, salt (sodium) or preservatives.

Suggested Use:

Take one capsule daily or as directed.

Product Specs:

Size/Count: 200

Form: Capsule

WARNING:

If you are pregnant or nursing, taking any medication or have any medical condition, consult a health care professional before use. Diabetics may use only under a physician's supervision because this product contains chromium picolinate which may increase insulin sensitivity. KEEP OUT OF REACH OF CHILDREN.

Proudly manufactured in our NSF® GMP registered facility.
