**Percent Daily Values are based on a 2,000 calorie diet.

***Daily Value not established.

Other Ingredients: Gelatin, Vegetable Glycerin, Natural Caramel Color.

Myoleptin™ CLA is scientifically designed with a balanced ratio of c9,t11 and t10,c12 isomers. These bioactive ingredients help you achieve a healthy and toned body composition.* Evidence suggests these isomers work by modulating oxidative enzyme activity as well as energy metabolism.* Myoleptin™'s premium grade formula uses only plant-based sources of CLA and contains no natural or artificial stimulants of any kind.
Myoleptin™ CLA - for the shape of your life!
