

SUGGESTED USAGE: Shake well before using. As a dietary supplement, take one tablespoon daily, preferably on an empty stomach. Consider taking this product in combination with NOW® CLA and Lecithin.

NOW® L-Carnitine Liquid provides all of the extensive benefits of Carnitine in a highly absorbable liquid form. L-Carnitine is a non-essential amino acid that helps to maintain overall good health by facilitating the transfer of fatty acid groups into the mitochondrial membrane for cellular energy production.* It naturally occurs in red meat and other animal-source foods, but we recommend supplementation to obtain optimal levels of this excellent amino acid. NOW® L-Carnitine is the purest form, clinically tested, and vegetarian (non-animal sourced).

*This statement has not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

NOW® L-Carnitine 3X Liquid provides 3 to 6 times (3 g) the potency of competing brands per serving size.

Store in a cool, dry place. Please Recycle. **Vegetarian/Vegan Product.**
