L-Carnitine & Acai

Sculpting a lean, fit physique has never tasted so amazing! NOW® L-Carnitine & Acai contains an innovative fusion of natural compounds to transport body fat and enhance energy production and utilization. Each liquid shot delivers a potent 2,000 milligrams of Carnipure™ L-Carnitine. Hundreds of studies have validated Carnitine's ability to transport long chain fatty acids to the cell's mitochondria, where they can be utilized as a source of energy. 500 mg of freeze-dried Acai is included to protect healthy cells, while Pantothenic Acid assists in fat metabolism and provides an adrenal kick. Vitamin B-12 nourishes red blood cells, which supply oxygen to cells. NOW® L-Carnitine 2,000 mg is perfect for helping to shape the figure you've always wanted, it helps to relieve fatigue while providing powerful antioxidant protection.*

To get the most out of your training and active lifestyle, be sure to try NOW's other high octane energy shots, including B-12 10,000 mcg and ChocoEnergy™!
