# CLA

Conjugated Linoleic Acid

## 1000 mg-70% CLA

Hexane Free

180 + 35 Free  
Softgels

A Dietary Supplement

**SUGGESTED USAGE:** As a dietary supplement, take 3 softgels 1-2 times daily, preferably 1 hour before meals.

CLA (Conjugated Linoleic Acid) is a free fatty acid derived from safflower or sunflower oil. Our CLA softgels provide a minimum of 70% CLA in every batch. Scientists estimate that our food supply once contained much higher levels of CLA before the advent of modern agricultural and animal feeding methods. As a result, CLA may be lacking in typical refined diets.

**CAUTION: PLEASE DISCARD THE INEDIBLE FRESHNESS PACKET ENCLOSED.**

Manufactured by NOW FOODS, BLOOMINGDALE, IL 60108
