

CODE 2060 VS

SUGGESTED USAGE: Mix 2 heaping tablespoons (32 g) daily with 6-8 oz. of water, fruit juice, milk or favorite beverage.

NOW® Fermented Soy Powder combines the nutritive value of soy with the benefits of fermentation in one convenient daily serving. Fermented Soy offers a broader nutrient profile than traditional soy products due to its bioavailable isoflavones, including Genistein and Daidzein. Fermentation also produces pre-digested soy protein, which naturally improves flavor and texture.

This product is sold by weight not volume.

Store in a cool, dry place after opening.

Please Recycle.

Fermented Soy Powder

NUTRITIONAL SUPPORT
