# Extra Strength Glucosamine & Chondroitin Joint Support Factors\*

120 + 35 Free  
Tablets

A Dietary Supplement

**SUGGESTED USAGE:** As a dietary supplement, take 2 tablets daily with meals or on an empty stomach.

Glucosamine & Chondroitin are naturally occurring structural components that have recently enjoyed growing popularity. Glucosamine is an amino sugar derived from the chitin of shellfish and is used by the body to support healthy joint structures. Chondroitin complements Glucosamine and works synergistically to provide optimal nutritional support.\* Look for this and other fine NOW® products in health food stores nationwide.
