

NRGX LABS

Suggested Use: As an adult dietary supplement, take 1 serving 15-20 minutes before your workout for maximum pump and endurance - you may take another serving 3-4 hours later if desired. Use daily with plenty of water to optimize cell volumization.

With 3 of the hottest PUMP supplements on the market today MaXX Pump w/ Creatine Magna Power® by NRG-X Labs is the first supplement of its kind. Users experience extreme pumps that last and last plus a boost in endurance during your workout - you'll be ready for set after set and rep after rep with MaXX Pump™. Users feel the effects quick too, normally within 15-20 minutes of use because of the raw potency of our exclusive blend!

All 3 of these ingredients work together to boost strength and promote a full and tight PUMP like you have never felt before.
