

Multi Enzyme

300 Tablets Item #: VS-1195 / 1040236

About this product

A full-spectrum enzyme formula to support complete digestion. Each tablet contains several of the three main types of digestive enzyme: proteases, amylases, and lipases. Proteases are responsible for the digestion of proteins, amylases digest carbohydrates, and lipases digest fats.

Directions

As a dietary supplement, take two (2) tablets after each meal. Do not take on an empty stomach.

Warning

Consult your healthcare provider prior to use if you are pregnant, nursing, taking any medication or have any medical conditions. Keep out of reach of children.

Does Not Contain:

Yeast, wheat, salt, soy, citrus, fish, artificial colors or flavors added.
