help to support a healthy immune response.*

Andrographis is an herb traditionally used by herbalists in China, India, and Southeast Asia. Recent scientific research has indicated that the active constituents in Andrographis, known as andrographolides, possess immunomodulating properties. Clinical studies suggest that Andrographis extracts can

and Echinacea.

SUGGESTED USAGE: As a dietary supplement, take 1 capsule 2 to 3 times daily as needed. Consider taking these other NOW® products: Immune Renew™, Olive Leaf Extract and Echinacea.
