Alfalfa (*Medicago sativa*) is a perennial herb that is indigenous to the Middle East. Because of its deep root system, Alfalfa is better able to absorb minerals from the soil than other plants. Therefore, Alfalfa is a rich source of vitamins and minerals, as well as Chlorophyll. NOW® Alfalfa Leaf Caps contain only Organic Alfalfa, so it is **free of pesticide and herbicide residues**.

SUGGESTED USAGE: As a dietary supplement, take 1 capsule 3 times daily with meals.
