\$4.49

1-000-9462-00

Overview:

Size/Count 125.0 ea.

- Works with calcium for bone health
- Helps maintain a healthy immune system
- No artificial color or flavors

Vitamin D is an essential nutrient that works with calcium to support bone health.* In addition, vitamin D helps maintain a healthy immune system.* Vitamin D absorption decreases as we age, therefore older individuals may especially benefit from supplementation.

- No yeast, wheat, gluten, milk or milk derivatives, lactose, sugar
- No preservatives, artificial color or flavors, or sodium
