

Nutritional Support for Healthy Sleep.*

Each metered, non-aerosol spray supplies an activated complex of 100% pharmaceutical grade Melatonin, highly active coenzymes and a proprietary base of essential metabolic factors. This power-packed profile is then microencapsulated, using the Lipoceutical®** delivery system for maximum absorption and utilization.

DIRECTIONS: SHAKE WELL BEFORE USING. As a dietary supplement, one spray 30 minutes before retiring. Spray under tongue, hold for 20 seconds and then swallow.
