

Product No. 8046 Do not accept if seal is broken.
Store between 59°-86° F. Keep out of the reach of children.

It's a great way for parents to provide the daily nutrition that is so vital to growing children! Dolphin Pals are all natural, and provide gentle levels of essential vitamins and minerals.

Dolphin Pals contain a full spectrum vitamin and mineral profile, including vitamins B-1, B-2 and B-3. Most gummy vitamins do not contain these essential B-vitamins because of their unpleasant taste. Country Life has developed a process that effectively masks the vitamin taste while simultaneously lowering sugar content.

A kid's multi without all of the B-vitamins is not a complete multi. The B-vitamins support energy metabolism and many other essential functions in the body.

Dolphin Pals offer vitamins and minerals that your child needs - with a taste that's great!***

NO: Yeast, wheat, soy, gluten, milk, egg, artificial flavors, or salicylates.
Natural Flavors

Not recommended for children under four years of age.

ChromeMate® brand niacin-bound chromium.
