Restore comfort with Pearls YB!*

Yeast thrives in the intestinal tract, which can be vulnerable to overly-acidic pH levels, fast-food, stress and exposure to toxins—all elements of everyday life. Maintaining healthy pH balance in the face of these challenges can enhance yeast balance and help you rediscover comfort.*

Pearls YB yeast-balancing probiotics provides superior strains clinically shown to regulate pH, balance yeast levels and support vaginal and urinary health.* This breakthrough formula delivers active flora to create an intestinal environment that supports healthy yeast levels and allows you to live comfortably!*
