Do Not Eat Freshness Packet. Keep in Bottle.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication (especially anti-depressant medications such as SSRI's or MAOI's), or have a medical condition. May cause drowsiness. Keep out of reach of children.

L-Tryptophan is an essential amino acid important in human nutrition

for the synthesis of melatonin and serotonin, hormones regulating mood and stress response. L-Tryptophan helps support relaxation, sleep, positive mood and immune function.* As an essential amino acid, it is not synthesized by the body and must be obtained from the diet. NOW® L-Tryptophan is pharmaceutically pure - every lot is tested to be free of Peak E and microbial contamination.

SUGGESTED USAGE: As a dietary supplement, take 1-2 capsules 2 to 3 times daily on an empty stomach or as directed by your physician. Best used at bedtime. Consider taking these other NOW® products: Inositol and Magnesium.
