

CODE 0208B

V4

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children. Do Not Eat Freshness Packet Enclosed.

Acetyl L-Carnitine is a modified amino acid that supports cellular energy production by assisting in the transport of fat into the mitochondria where it is oxidized and converted into ATP (chemical energy for the cell). Acetyl L-Carnitine is a highly bioavailable form of L-Carnitine that can cross the blood-brain barrier, where it exerts an antioxidant effect, helps to maintain healthy cellular energy metabolism and supports brain function.*

SUGGESTED USAGE: As a dietary supplement, take 1/4 level teaspoon 1 to 3 times daily as needed. Consider taking these other NOW® products: Pantothenic Acid, Choline and Brain Elevate™.

Acetyl-L-Carnitine
