

Take Cholesterol Out of Your Diet with Cholesterol Shield*

The Power of Plant Sterols!

†Scientific evidence proves that including plant sterols in your diet helps to lower blood total and LDL cholesterol levels. Following a diet low in saturated fat and cholesterol, and consuming 400 mg or more of plant sterols twice a day may reduce the risk of heart disease.

Cholesterol Shield phytosterol blend is a powerful blend of plant sterols and is proven to help lower LDL and total cholesterol.† It's a unique combination of two clinically-studied ingredients—pantethine and phytosterols—that work together to:

- Support healthy cholesterol production.*
- Limit absorption of cholesterol from food.*
- Limit re-absorption of cholesterol from bile.*
