- No Corn or Glucose Syrups
- No Fishy Repeat
- Great Tasting Lemon Gel Chews for Adults
- Product of Norway
- Easy for Travel

Dietary Supplement

Omega Surge™ High EPA:

- Delivers highly concentrated EPA from Omega 3 rich fish oil
- Supports healthy body***
- Has been highly purified and tested for heavy metals such as mercury, lead, PCBs, and Dioxins
- The Omega 3 rich fish oil has been molecularly distilled to uphold the highest level of purity
- Supports enhanced absorption of EPA as compared to non-emulsified normal softgels in a straight oil base***

Country Life's Omega Surge™ provides the following benefits over traditional Omega Softgels:

- Enhanced delivery
- No fishy repeat after consumption

Directions: Adults, chew two (2) gel chews daily. As a reminder, discuss the supplements and medications that you take with your health care providers.

New from Country Life! Omega Surge™ is an innovative technology that delivers valuable Omega 3 fatty acids from highly purified fish oil in the new, unique form of a fun, tasty emulsified gel chew.

Omega Surge™ was developed using a new, innovative and patent pending technology called CanCordix® that pre-emulsifies the oils and then captures the concentrated omegas through a unique gel matrix. The pre-emulsification process takes valuable Omega 3 fatty acids and converts them into micro droplets before they are sealed in a gel form. By dividing these omega fatty acids into micro droplets, a greater surface area of the oil is exposed, upon ingestion, to important digestive processing agents such as enzymes.***

The CanCordix® technology creates the unique combination of pre-emulsified omegas delivered in tasty gel chews for an enhanced delivery system of Omega fatty acids.
