

## Ambrotose AO®

Protect Your Body with a Powerhouse of Antioxidants

1-800-6094-01

## Ambrotose AO®

Stress from daily living produces free radicals, which can lead to a variety of health challenges. Mannatech's **Ambrotose AO** capsules combine a synergistic blend of plant extracts and antioxidant compounds with naturally sourced vitamins C and E for an extra-powerful punch of protection.

Formulated using Real Food Technology solutions, these capsules:

Protect your cells with water- and fat-soluble **antioxidants**.\*

Help the body **guard against oxidative stress** with antioxidant-rich nutrients.\*

Offer additional **immune support**.\*

Provide effective **defense against free radicals**.\*

Just two capsules a day are clinically proven, through human serum ORAC testing, to provide over 2 1/2 times more antioxidant protection than five servings of fruits and vegetables.†

### What Exactly Are Free Radicals?

Free radicals are by-products of the body's use of oxygen. They cause what is known as "oxidative stress," or damage to your cells. Free radicals result from smoking, pollution, toxins and as a by-product of everyday life. Antioxidants like those found in Ambrotose AO capsules can help your body guard against the cellular damage caused by free radicals.\*

Our Ambrotose AO capsules are a powerful combination of our antioxidant blend, MTech AO Blend® formula; Ambrotose complex, which supports cellular health; and PhytAloe® formula, which provides nutritional boosters. With this exceptional product in your daily regimen, free radicals don't have a chance.\*
