Natural color variations may occur in this product.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

NOW® Extra Strength, Non-GMO Lecithin Softgels have over twice the Phosphatidyl Choline (1,140 mg per serving) as in our regular strength product (540 mg per serving). Phosphatidyl Choline comprises a major portion of our brain and nervous system. Lecithin also has naturally occurring essential fatty acids and inositol. Lecithin aids in emulsifying fats, enabling them to be dispersed in water.*

SUGGESTED USAGE: As a dietary supplement, take 2-3 softgels daily with food. Consider taking these other NOW® products: L-Carnitine, Omega-3 Fish Oil and CoQ10.
