This product is sold by weight not volume.

Ornithine is a non-essential amino acid that plays a central role in the urea cycle, functioning along with Arginine and Citrulline to rid the body of ammonia, a byproduct of protein metabolism. Because Ornithine is converted into Arginine, it can help to maintain healthy Arginine levels in the body. Ornithine can also be converted into other amino acids, such as citrulline, proline, and glutamate, as well as creatine, an important muscular energy source.*

SUGGESTED USAGE: As a dietary supplement, take a 1/2 teaspoon 1 to 2 times daily, mixed with water or juice, on an empty stomach.

L-Ornithine

100% Pure Powder

Healthy Protein Metabolism*

Net Wt. 8 oz. (227 g)

A Dietary Supplement Vegetarian Product

Supplement Facts

Serving Size 1/2 Teaspoon (1 g)

Servings Per Container 227

Amount Per Serving	
L-Ornithine (from L-Ornithine Hydrochloride)	800 mg*

* Daily Value not established.

Other ingredients: None.

Manufactured by NOW FOODS, 395 S. Glen Ellyn Rd.

Bloomington, IL 60108 Made in the U.S.A. www.nowfoods.com

Contains no sugar, salt, starch, yeast, wheat, gluten, corn, soy, egg, shellfish or preservatives.
Vegetarian/Vegan Product.

This product is 100% Pure, and because no anti-caking agents are used, lumping may occur. This product contains hydrochloride, the acid normally present in the stomach, which acts to stabilize the L-Ornithine.
