Discover the secret of the energizing Açaí fruit (pronounced ah-sigh-EE) in Garden Greens AçaíBlast™ vegicap formula. The açaí fruit grows on top of lush palm trees in the heart of the planet earth, the Amazon Rainforest. The small, oval shaped, açaí fruit is deep violet in color and is naturally potent in antioxidants.

Each serving of AçaíBlast™ provides you 1900 ORAC. ORAC stands for Oxygen Radical Absorbance Capacity and is the new standard of measurement jointly developed by the National Institutes on Aging and the USDA Human Nutrition Research Center on Aging. In simple terms, ORAC measures how well a food or drink renders free radicals inactive. Since free radicals can damage healthy cells, the higher the ORAC value, the better.

Each serving of AçaíBlast™ also provides you with 160 mg of Green tea, of which 72 mg are EGCG. EGCG stands for epigallocatechin gallate, a specialized type of polyphenol, whose antioxidant capacity may help support your immune system.

Now you can get the energizing benefits of the Açaí fruit by taking AçaíBlast Antioxidant Formula everyday.

Garden Greens™ AçaíBlast™ Antioxidant Formula... your gold standard for concentrated food supplements.
