

CODE 0265 V4

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Persons with thyroid disease (hyperthyroidism), melanoma, or those taking MAO inhibitors or other mood altering medications should seek the advice of a physician before consuming this product. Keep out of reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

L-Tyrosine is a non-essential amino acid that plays an important

role in the production of neurotransmitters dopamine and norepinephrine. In addition, because L-Tyrosine is necessary for the synthesis of thyroid hormone and epinephrine (adrenaline), L-Tyrosine supports healthy glandular function and stress response.*

Acetyl-L-Carnitine.

SUGGESTED USAGE: As a dietary supplement, take 1/4 teaspoon in juice or water, preferably between meals, 1 to 3 times daily. Consider taking these other NOW® products: L-Phenylalanine and

L-Tyrosine
