## Supplement Facts

Serving Size 1 Packet

| Amount Per Serving                                                                                                                | AM Packet     |      | PM Packet     |      |
|-----------------------------------------------------------------------------------------------------------------------------------|---------------|------|---------------|------|
|                                                                                                                                   | % Daily Value |      | % Daily Value |      |
| Vitamin A (as beta-carotene)                                                                                                      | 1500 IU       | 30%  | 1500 IU       | 30%  |
| Vitamin C (as ascorbic acid)                                                                                                      | 385 mg        | 642% | 235 mg        | 392% |
| Vitamin D (as cholecalciferol)                                                                                                    | 200 IU        | 50%  | 300 IU        | 75%  |
| Vitamin E (as d-alpha-tocopheryl succinate)                                                                                       | 21 IU         | 70%  | 21 IU         | 70%  |
| Thiamin (as thiamin HCl)                                                                                                          | 7.5 mg        | 500% | 7.5 mg        | 500% |
| Riboflavin                                                                                                                        | 8.5 mg        | 500% | 8.5 mg        | 500% |
| Niacin (as niacinamide)                                                                                                           | 37.5 mg       | 188% | 37.5 mg       | 188% |
| Vitamin B6 (as pyridoxine HCl)                                                                                                    | 5 mg          | 250% | 5 mg          | 250% |
| Folate (as folic acid)                                                                                                            | 300 mcg       | 75%  | 300 mcg       | 75%  |
| Vitamin B12 (as cyanocobalamin)                                                                                                   | 6 mcg         | 100% | 6 mcg         | 100% |
| Biotin (as D-biotin)                                                                                                              | 30 mcg        | 10%  | 30 mcg        | 10%  |
| Pantothenic Acid (as calcium pantothenate)                                                                                        | 10 mg         | 100% | 10 mg         | 100% |
| Calcium (as calcium carbonate, dicalcium phosphate, calcium citrate, calcium gluconate, calcium amino acid oligofructose complex) | 475 mg        | 48%  | 825 mg        | 83%  |
| Iodine (as iodine amino acid oligofructose complex)                                                                               | 75 mcg        | 50%  | 75 mcg        | 50%  |
| Magnesium (as magnesium oxide, magnesium lactate, magnesium citrate, magnesium amino acid oligofructose complex)                  | 150 mg        | 38%  | 200 mg        | 50%  |
| Zinc (as zinc amino acid oligofructose complex)                                                                                   | 37.5 mg       | 250% | 7.5 mg        | 50%  |
| Selenium (as selenium amino acid oligofructose complex)                                                                           | 252.5 mcg     | 361% | 52.5 mcg      | 75%  |
| Copper (as copper amino acid oligofructose complex)                                                                               | 1.5 mg        | 75%  | 1.5 mg        | 75%  |
| Manganese (as manganese amino acid oligofructose complex)                                                                         | 2 mg          | 100% | 2 mg          | 100% |
| Chromium (as chromium amino acid oligofructose complex)                                                                           | 60 mcg        | 50%  | 60 mcg        | 50%  |
| Molybdenum (as molybdenum amino acid oligofructose complex)                                                                       | 37.5 mcg      | 50%  | 37.5 mcg      | 50%  |
| Mixed Tocopherols                                                                                                                 | 30 IU         | †    | 30 IU         | †    |
| Mixed Carotenoid Blend                                                                                                            | 10 mg         | †    | 10 mg         | †    |
