SUGGESTED USAGE: As a dietary supplement, take 1 tablet 1 to 2 times daily, preferably with food. Consider taking these other NOW® products: Ginkgo Biloba and DMAE.

NOW® Soy Free Phosphatidyl Serine is a phospholipid compound derived from Non-GMO sunflower lecithin that plays an essential role in cell membrane composition and intercellular communication. Phosphatidyl Serine is a major structural component of neural membranes where it assists in the conduction of electrical impulses and facilitates the activity of neurotransmitters involved in learning, memory, and mood. These properties make NOW® Phosphatidyl Serine an ideal supplement for the support of cognitive function.*
