Advantages:

- Promotes antioxidant health.

Red Wine Extract is designed to promote antioxidant health by fighting against the effects of free radicals. Important components such as resveratrol, polyphenols and ellagic acid help ensure you receive the natural benefits of grapes, while high-potency Vitamin C provides immune system support.

Ingredients:

Serving Size: 1 Capsule. Amount Per Serving: Vitamin C (Ascorbic Acid) 60mg, Red Wine Complex 200mg. Other Ingredients: Rice Powder, Gelatin, Vegetable Magnesium Stearate.

Indications:

Directions:

For adults, take one (1) capsule one to two times daily, preferably with meals.

Manufactured, Packaged or Distributed By:

Sam's West, Inc. Bentonville, AR 72716. Made in USA.
