

NUTRILITE® Digestive Enzyme Complex - 90 Count

90 capsules

Item #: A8903

Enjoy meat, dairy, fat, beans, peas, and other vegetables again, with a single capsule of our natural multi-enzyme complex. It provides temporary relief of occasional bloating, gas, and heartburn.

How much do I need?

Usage Rate: 90 Use(s) per Bottle

Recommended use: 3 Use(s) per day

Description

NUTRILITE Digestive Enzyme Complex supports the 22 enzymes found naturally in our bodies, enzymes that help break down the foods we eat. When our digestion has the help it needs, we experience less bloating, gas, heartburn, and discomfort after eating.

Benefits

NUTRILITE Digestive Enzyme Complex includes:

- Enzymes that help break up food, making it more digestible and less likely to ferment. The bacteria that cause fermentation produce gas as a by-product
- Support for the normal digestion of proteins, dairy products, and fats

Nutrilite® Digestive Enzyme A8903

SUGGESTED USE: Take one capsule with water at the beginning of each meal as needed (or open capsule and sprinkle over food that is not hot). If meal is large or unusually high in fat or protein, a second capsule may be taken at end of meal.

Supplement Facts

Serving Size 1 capsule

	Amount Per Capsule	% Daily Value
Proprietary Enzyme Blend	302 mg	
Proteolytics Bromelain (from Ananas comosus)	500,000 FCC PU	†
Peptidase FP (from Aspergillus niger)	7,812 FCC HUT	†
Protease 3.0 (from Aspergillus niger)	25 FCC SAPU	†
Protease 4.5 (from Aspergillus niger)	25,000 FCC HUT	†
Carbohydrolytics		
Invertase (from Saccharomyces cerevisiae)	200 FCC SU	†
Amylase (from Aspergillus niger)	10,000 FCC DU	†
Cellulase (from Trichoderma viride)	400 FCC CU	†
Glucoamylase (from Aspergillus niger)	10 FCC AGU	†
Lactase (from Aspergillus oryzae)	3,000 FCC LU	†
Lipolytics		
Lipase (from Aspergillus niger)	100 FCC LU	†
Plant Concentrate Base	33 mg	
Spirulina Concentrate (Arthrospira platensis)	(17 mg)	†
Parsley Dehydrate (leaf, stem)	(16 mg)	†

† Daily Value not established

OTHER INGREDIENTS: MICROCRYSTALLINE CELLULOSE, GELATIN, MALTODEXTRIN.

CONTAINS: INGREDIENTS SOURCED FROM MILK, SOY, WHEAT.
