The "Maitake" (*Grifola frondosa*) is literally translated in Japanese to "dancing mushroom". It is highly regarded in Asia for its culinary and medicinal qualities. Mushrooms have active components known as polysaccharides which have become the subject of much research as to their effect on good health.

SUGGESTED USAGE: As a dietary supplement, take 1 capsule 1 to 3 times daily. Consider taking these other NOW® products: Super Colostrum, Healthy Immune™ Packets and OraBiotic™.
