

Easy Cleanse™ A.M. Detox Formula

Easy Cleanse™ A.M. Detox Formula contains a unique blend of specialized herbs, nutrients, and green foods that support gastrointestinal health. This innovative formula works around the clock to assist the body in a natural detoxification and elimination of toxins, thereby supporting optimal digestive system function.*

Easy Cleanse™ P.M. Cleansing Formula

Easy Cleanse™ P.M. Cleansing Formula works while you sleep to support a natural elimination of toxins that have accumulated throughout the day. Easy Cleanse™ P.M. contains gentle, bulking fibers that naturally bind to undesirable metabolic byproducts, cholesterol, and fat, and facilitate their elimination from the body.*

IMPORTANT:

Purified water is crucial in flushing toxins that have been detoxified. It is important to consume adequate water throughout the day to ensure elimination.

Caution: For adult use only. If you are pregnant/lactating or taking any medications, please consult your healthcare practitioner prior to use. Do not exceed recommended dose. Discontinue use if you experience abdominal pain or diarrhea.

Signs that the body may need detox support:

- Low energy levels, fatigue
- Poor skin complexion
- Mental cloudiness, frustration
- Increased lack of motivation
- Irregularity, digestive discomfort
- Sub-optimal immune function
- Body odor, bad breath
- Poor state of mind, irritability
- Brittle hair, skin or nails

NOW® Easy Cleanse™ is a digestive cleansing program that was developed to naturally support the body's own detoxification mechanisms, making it easier to eliminate toxins from the body. By supporting liver and intestinal function, this unique combination of herbal extracts and nutrients serves as a natural and effective way to help eliminate unwanted compounds and encourage a healthy, functional digestive system.

Use of a NOW® probiotic supplement and a powdered fiber such as NOW® Psyllium or NOW® Flax Meal will support the overall detoxification and cleansing properties of Easy Cleanse™.* Make sure to take with an additional 8-12 oz. of purified water.

Easy Cleanse™

Step 1: Detoxify & Capture

In order to support the removal of undesirable compounds, the body must first identify and purify them.* Take 2 Easy Cleanse™ A.M. Vcaps® upon waking with at least 8 oz. of purified water and a light, healthy breakfast. In late morning, take 2 more A.M. Vcaps® with at least 8 oz. of purified water, with or before lunch.
