

CAPSULE SIZE

Made in the USA

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

It supplies vitamins, amino acids, trace minerals and enzymes in a balance that provides optimum bioavailability.

Bee Pollen is a fine powder that composes the male element of the flower. Honey bees harvesting the pollen instinctively gather only that pollen which is pure and healthy. It is then mixed with flower nectar and bee saliva to form an all-natural and highly nutritious food that has all twenty-two of the elements composing the human body. It supplies vitamins, amino acids, trace minerals and enzymes in a balance that provides optimum bioavailability.

SUGGESTED USAGE: As a dietary supplement, take 2 capsules 1 to 3 times daily, preferably with food. Consider taking these other NOW® products: Spirulina, Lecithin and CoQ10.

NOW® Bee Pollen delivers the natural nutrient profile found in Genuine Whole Foods.
