people.

Caution: Royal Jelly may cause an allergic reaction in some

Royal Jelly is a natural source of many nutrients. Royal Jelly is the only food for the Queen Bee, and it enables her to outlive worker bees thirty fold! The Queen Bee is also very fertile, laying up to 2,000 eggs each day throughout her life.

NOW® Royal Jelly delivers the natural nutrient profile found in Genuine Whole Foods.

SUGGESTED USAGE: As a dietary supplement, take 1 softgel 1 to 2 times daily. Consider taking this product in combination with NOW® Co-Enzyme B-Complex and Rhodiola.
