

Product No. 8001. Do not accept if seal is broken.
Keep out of the reach of children.
Shake well before use. Store between 59°-86° F.
Refrigerate after opening. If not refrigerated, use within 45 days.

Country Life's Food Based Liquid Multi is a combination of vitamins and minerals with added decaffeinated green tea extract and lycopene. The unique liquid base is a powerful combination of Aloe Vera plus Mangosteen and Noni juices.***

The Aloe Vera material used guarantees 11.5 mg of polysaccharides per serving.

Mangosteen is a fruit common to Southeast Asia that naturally contains an antioxidant component called xanthones. Xanthones have been studied for their ability to offer beneficial antioxidant support to the body. Current studies suggest that oxidative stress caused by free radicals may contribute to the premature aging of cells.***

Noni is a fruit common to French Polynesian cultures such as Tahiti. Noni is naturally high in minerals such as magnesium and calcium. It also contains vitamin C and niacin.

Country Life's Food Based Liquid Multi is more than just a multivitamin. It's a delicious, nutritious combination of juices infused with vitamins, minerals and more!***
