Tranquility

Ingredients

- Replenishes Vitamin C (which tends to deplete during times of stress), and supports and enhances the functioning of adrenal glands.
- Kava Kava, which has been renowned for centuries in the Fiji Islands, and recognized by modern science for its ability to relax the body, promote better sleep and restore well being.
- Blend of herbs and nutrients to give the body nourishment when it's needed the most.

Is the world going too fast?

Stress can be inevitable at times.

Our demanding lifestyles often leave us feeling overwhelmed, restless and stressed out to unbearable limits. The Symmetry **Tranquility** is a natural and effective solution to ease stress levels when it seems almost impossible to calm the nerves. Botanical Tranquility is expertly formulated to not only relax your mind and body, but also help you get proper rest, sleep, nourishment and the support your nervous system needs during challenging times.

The Tranquility works synergistically with the Advanced Omega for pain relief as stress appears to magnify the pain making it worse.
