Keep out of the reach of children. Shake well before use.

Refrigerate after opening. If not refrigerated, use within 45 days.

Take only as directed. Do not exceed recommended dose.

Vitamin D₃ is produced by the body when it's exposed to sunlight. Since many of us wear sunscreen daily, we have to depend on our diet to get Vitamin D₃, but it's nearly impossible to get enough from what we consume. That's why Country Life offers a broad range of Vitamin D₃ products to support multiple functions in the body. Our new great-tasting cherry Vitamin D₃ 5,000 I.U. Liquid supports:

- Healthy bone structure***
- Immune health***
- Digestive health***

New clinical evidence suggests vitamin D₃ is important for overall health, including healthy bone structure and immune support.***
