and potency of oregano in a convenient softgel form.

Oregano is an ancient culinary herb whose name means "joy-of-the-mountain". It was well known and used by herbalists/physicians in ancient Egypt. In Aristotle's day, Greek herbalists used oregano for medicinal purposes and as an antidote. Oregano has been widely used in Europe as a spice in food and treasured for its value as an herbal supplement. These softgels offer the quality

SUGGESTED USAGE: As a dietary supplement, take 1 softgel 1-2 times daily with meals.
